

STATEMENT OF PARTICIPATION

United Nations Global Compact

Nasra GeoSyn — sustainable civil & environmental engineering, Kingdom of Saudi Arabia.

Nasra GeoSyn is a participant in the United Nations Global Compact. We support its Ten Principles across human rights, labour, the environment and anti-corruption, and we work to reflect them in how we build — beneath what the Kingdom relies on every day.

As we grow, these principles stay part of our decisions, our partnerships and the way we report on our progress.

The Ten Principles we support

HUMAN RIGHTS

- 1** Support and respect internationally proclaimed human rights.
- 2** Ensure we are not complicit in human rights abuses.

LABOUR

- 3** Uphold freedom of association and collective bargaining.
- 4** Eliminate forced and compulsory labour.
- 5** Support the effective abolition of child labour.
- 6** Eliminate discrimination in employment and occupation.

ENVIRONMENT

- 7** Take a precautionary approach to environmental challenges.
- 8** Promote greater environmental responsibility.
- 9** Encourage environmentally friendly technologies.

ANTI-CORRUPTION

- 10** Work against corruption in all its forms, including extortion and bribery.
